

Hampton Roads Center for Dermatology (a division of TPMG) where our goal is to improve your dermatological health through compassionate, efficient, and quality service. As the largest organ in our bodies, our skin plays an important role in our lives and our health. We aim to ensure disorders or conditions of the skin, hair, and nails do not impact your overall health.

About Tidewater Physicians Multispecialty Group (TPMG) Our mission is to provide superior healthcare that is responsible, physician-directed, and dedicated to keeping our patients' best interests foremost.

Our team of expert physicians, nurse practitioners, physician assistants, nurses, medical assistants, diagnostic staff, and non-clinical staff all work together to provide consistent, compassionate, high-quality medical care. We pride ourselves on being patient-friendly and dedicated to helping you maintain optimal health.

Tidewater Physicians Multispecialty Group, formerly Tidewater Primary Care Physicians, P.C., was formed in 1992 with four primary care medical groups in Newport News, Hampton, and Yorktown, Virginia. Today, TPMG has expanded its practices to include over 220 primary care, specialty physicians, and advanced practice clinicians who provide care to patients throughout the Hampton Roads and southeastern Virginia.

We are seeking Mohs surgeon.

The practice is a full-service general dermatology, surgical, and aesthetics practice. You will be working alongside 1 dermatologist, and 2 advanced practitioners. You will be supported by an experienced administrative and clinical team that scribe and perform clinical administrative tasks freeing you to focus on patients. • Part-time schedule • No weekends, No in-patient requirements.

We project of 10 cases a day one day per week but are open to your scheduling and practice preferences.

- We believe excellent patient care starts with taking care of our team members. We're rated as one of the top places to work in Hampton Roads. We seek doctors who will care for, lead, and inspire their teams.
- We are a growing specialty practice that includes dermatology, and aesthetics. We are launching our MOHs center. We work collaboratively across our group.
- We take care of underserved patients, volunteer in the community, and give generously to charities.

Learn more about who we are [here](#).

Requirements:

- Valid VA medical license (or eligible)
- Completion of ACGME certified residency
- Board certification in dermatology
- Physician compensation will be based on productivity.
- We are willing to consider licensing someone for a traveling Mohs career or a full-time opportunity with primarily general dermatology and someone performing all of the Mohs and complicated surgeries for the practice.

Hampton Roads / Tidewater is a well-known coastal community with a strong military presence. It's also a college town with **33** local universities, colleges, and trade schools that train and prepare our future workforce.

Well known for its picturesque waves, bridges and tunnels, the area offers a variety of indoor and outdoor activities that cater to all types of lifestyles. The numerous museums and concerts leaving you an abundance of entertainment to choose. This opportunity not only allows you to call home where many vacation annually, but it will provide you with a work-life balance ensuring that you can embark on all the beauty and fun that this region offers. We have offices in Newport News and Virginia Beach. It's an incredible place to live, raise a family and practice medicine.
