

Dermatologist – Competitive Compensation + Signing Bonus – Albuquerque, NM

The Role

Are you an experienced Dermatologist looking to join a well-established, physician-led practice with a strong patient base? Do you have Mohs surgery experience or an interest in developing your skills in this area?

We have an exciting opportunity for a Board-Certified or Board-Eligible Dermatologist to join our respected private practice in Albuquerque, New Mexico. You'll work alongside Dr. Barbara Einhorn, our practice owner, and a dedicated team of physician assistants and support staff in a state-of-the-art clinical environment.

With a fully equipped Mohs lab and surgery suite, as well as a busy satellite location, you'll have the opportunity to practice general dermatology while expanding into Mohs surgery if desired. If you're looking for a collaborative work environment, career growth, and work-life balance, we'd love to hear from you!

If you're ready to take the next step in your dermatology career and join a respected, physician-owned private practice, apply today!

Key Responsibilities:

- Provide general dermatology treatments for patients of all ages, including children and teenagers.
- Option to perform Mohs surgery (not required, but preferred).
- Split time between our central office and satellite clinic.
- Work closely with a skilled team of PAs and support staff.
- Deliver exceptional patient care with a focus on communication and outcomes.
- Optional: Offer cosmetic dermatology treatments through our on-site medical spa.

The Company

At Western Dermatology Consultants, we take pride in providing comprehensive skin care for patients of all ages, from children to seniors. Led by Dr. Barbara Einhorn, our practice is committed to delivering the most advanced dermatologic care, including medical, surgical, and cosmetic dermatology.

We prioritize patient-focused care and ensure that every patient receives expert attention in a welcoming, professional environment. Our mission is to help our clients achieve healthy, confident skin through high-quality, compassionate care.

Benefits:

- ✿ Established patient base—step into a busy practice from day one.
- ✿ State-of-the-art Mohs lab & surgery suite—opportunity for Mohs surgery if desired.
- ✿ Supportive team environment—experienced PAs and staff.
- ✿ Work-life balance—enjoy a collaborative and friendly atmosphere.
- ✿ Cosmetic dermatology opportunities—expand your skillset through our medical spa.

The Person
